

2022 NEW YEAR'S RESOLUTIONS

Federated Charities Style

(more of a friendly comparison of priorities, really)

nonprofit center

2022 (planned) projects: re-carpet 1st floor lobby/conference room, finish construction in 2nd meeting space, repaint garden furniture

Partner with The Unity Campaign on 8 collaborative professional development sessions for local nonprofits

Offer 4 opportunities for nonprofit tenants, board members and supporters to visit the building for events

Charity

take care of new paws (they weren't cheap but the repairs were necessary!)

wear more costumes (it's hard to dress up when you're at the vet)

eat more vegetables (they're good for your state of mind)
